### WATER AND SEWER BYLAW

A BYLAW OF THE TOWN OF LANGHAM TO FIX THE RATES TO BE CHARGED FOR THE USE AND CONSUMPTION OF WATER, TO FIX THE RATES TO BE CHARGED BY WAY OF RENT OR SERVICE CHARGE FOR THE USE OF SEWER, AND TO PROVIDE FOR THE MANAGEMENT AND ADMINISTRATION OF WATER AND SEWER SERVICES.

---

The Council of the Town of Langham, in the Province of Saskatchewan, enacts as follows:

#### **I** **DEFINITIONS**

- 1) “ADMINISTRATOR” means the Town Administrator for the Town of Langham.
- 2) “CLERK” means the Utility Clerk or other person designated to administer the utility accounts for the Town of Langham.
- 3) “CONSUMER” means any person or persons who occupies a premises and makes application for water and sewer utility services, and for whom a utility account is established.
- 4) “PREMISES” means a building or structure or any part thereof, which is connected to utility services and which has a separate metered water supply.
- 5) “OWNER” means the assessed property owner or authorized representative thereof, as contained in the records of the Town.
- 6) “PROPERTY PORTION” means the property between the outer line of the street and the inner surface of the wall of the building supplied with the sewer and water service.
- 7) “SERVICE CONNECTION” means the water and sewer pipes which connect the water and sewer mains to the inner surface of the wall of the building supplied with the water and sewer utility service.
- 8) “STREET PORTION” means the property between the water and sewer mains and the outer line of the street.
- 9) “TOWN” means the Town of Langham, in the Province of Saskatchewan.
- 10) “UTILITY ACCOUNT” means the record of account maintained by the Clerk showing water and sewer utility service rates billed to the consumer and payments received on the account.

11) "UTILITY SERVICE" means the provision by the Town of a public potable water supply to a premises and the provision of a public sewage collection and disposal system from a premises, which is occupied by a consumer.

**II WATER AND SEWER RATES**

**1) WATER RATES**

The charges to be paid by the water consumer whose water service has been turned on shall be those set out in *Schedule "A"* attached; provided, however, that the minimum shall be payable in every case whether or not any water is consumed.

**2) SEWER RATES**

Persons who own or occupy premises drained or that are by bylaw required to be drained into the sewer shall pay for such services a rental rate or service charge in accordance with *Schedule "B"* attached.

**III ADMINISTRATION OF UTILITY ACCOUNTS**

**1) ISSUANCE AND COLLECTION PROCEDURE**

**a) FIRST NOTICE**

Accounts for water service and/or sewer service shall cover a period of three (3) successive months, unless such service is connected in the interim, and shall be rendered on or before the first day of the month next following such period. Accounts shall be paid within a period of thirty (30) days from the date on which such accounts are rendered.

**b) SECOND NOTICE**

Accounts unpaid 30 days following the billing date, shall be levied a 1.5% per month penalty.

**c) THIRD NOTICE**

If a utility account remains outstanding more than 60 days, a reminder notice shall be sent to the consumer, stating that if arrears are not paid within 14 days the water utility service may be disconnected.

**d) FINAL NOTICE**

If the account remains in arrears beyond the 14 days as indicated on the third notice, the Town Clerk shall issue a *Notice of Disconnection* for nonpayment, as set out in *Appendix I* of this bylaw. The notice shall state that if the utility account is not paid within 14 days from the date in which the *Notice of Disconnection* has been issued, the utility service shall be disconnected. The utility service will be reconnected only after all arrears and reconnection fees, as stated in *Schedule "C"* of this bylaw, are paid in full.

e) TRANSFER TO TAX ROLL

If any rates, charges or rent in arrears, including late payment charges remain unpaid for 120 days, that amount may be added to and thereby form part of the taxes on the land or buildings with respect to which service was provided, as provided for by Section 369(1)(b) of *The Municipalities Act, 2006*.

IV CONNECTION TO THE WATER SYSTEM

1. APPLICATION

a) All persons desiring to be supplied with water from the Municipality’s water supply system shall make application to the Town in the prescribed form attached as *“Appendix II”*.

b) Utility meters will be read and service connections turned on or off on regular working days, Monday to Friday 9:00 AM to 12:00 Noon and 1:00 PM to 5:00 PM. Water will be turned on by a town employee only if a responsible adult representative of the consumer is present to check for leaks or open taps. The consumer must be present to allow a town employee access to the meter for a reading, unless the meter has a remote recorder attached.

c) Consumers requiring service connections outside of regular working hours shall pay in advance, the afterhours charges as set out in *Schedule “C”* of this bylaw.

2. SECURITY DEPOSIT

a) Each Water and Sewer Utility Services application requires a Security Deposit as set out in *Schedule “C”* of this bylaw.

b) Security Deposits shall be due within 30 days of the date of connection. Failure to make this payment by 45 days from the date of connection shall result in service disconnection.

c) The security deposit shall be refunded, without interest, upon service being discontinued, provided all water and sewer usage charges are paid in full. Any refund shall be made in the name of the consumer only.

d) Security deposits may be transferred to a new premise upon notification from the consumer.

**3. RATIONING AND WATERING RESTRICTIONS**

- a) The Municipality may by bylaw ration or limit the amount of water furnished to any and/or all consumers should circumstance deem to warrant such action.
- b) The use of water from the municipal system for the watering of lawns is hereby restricted as follows:
  - i) all residences and business places with even street numbers will be allowed to water lawns on even calendar days except during the hours from 12:00 to 18:00.
  - ii) all residences and business places with odd street numbers will be allowed to water lawns on odd calendar days except during the hours from 12:00 to 18:00.
  - iii) exemptions for i) and ii) may be granted for newly seeded or sodded lawns upon notification to the Town office. Such exemptions shall be limited to six weeks in length. Application for such shall be made by *Appendix III* of this bylaw.

**4. GENERAL REGULATIONS**

- a) No person shall convey, sell, dispose of, or give away or permit water to be carried or taken away or use it or supply it for the use or benefit of others.
- b) No other water supply shall be connected to the Town water supply.
- c) All water tanks, swimming pools or other storage vessel or container which have or will contain non-potable or other contaminated water, and which are connected to the water utility service, shall have a water back flow preventer installed so as to prevent non-potable or contaminated water from siphoning back into the water utility service.
- d) Any consumer who occupies premises containing a water heater which is located above ground level shall install a water back flow preventer ahead of the water heater intake, so as to prevent damage to the water heater in the event of water pressure failure.
- e) Utility accounts shall be billed quarterly. Water meters shall be read the last five (5) working days of February, May, August, and November. Water meters shall be read not less than twice in a calendar year. Estimates shall be adjusted to actual at the billing following the estimate. Estimates shall be based on the previous year's consumption for that billing period.

f) The Town shall be responsible for all maintenance of the street portion of the service connection. At such time as the service connection is deemed by the Town to be beyond repair, the Town may, under the Local Improvements Act, replace the service connection at the expense of the property owner.

g) The owner of the property shall be responsible for the maintenance of the property portion of the service connection.

h) If the water supply is shut off from the premises of a consumer for infringement of the provisions of this bylaw, same shall not be turned on until all penalties, fees, rates, charges, and arrears, if any, have been paid.

i) The service of the consumer/owner who contravenes Section IV of this bylaw may be discontinued and a fine of one hundred dollars (\$100.00) shall be imposed for breach of the bylaw.

**V CONNECTION TO THE SEWER SYSTEM**

**1. GENERAL REGULATIONS**

a) No person shall discharge into any drain, sewer, or sewage system operated by the Municipality, anything of a harmful matter, substance, or thing whether liquid or solid, that would be injurious to health, life, or property or that would injure, pollute or damage any stream, watercourse, drain, sewer, sewerage system or sewage treatment plant.

b) The service of the consumer/owner who contravenes Section V of this bylaw may be discontinued and a fine of one hundred dollars (\$100.00) shall be imposed for breach of the bylaw.

**2. BLOCKED SEWER LINES**

a) In the event of a blocked sewer line, owners and/or consumers may request (*Appendix IV*) the Town of Langham to clear such blockages free of charge for the first cleaning in a calendar year. Subsequent cleanings, by the Town, in the same calendar year, where the blockage occurs in the property portion of the service or no blockage is found shall be charged to the owners and/or consumers, a fee as prescribed in *Schedule "C"*.

**Bylaw No. 2002-01 and Bylaw No. 2006-08 are hereby repealed.**

THIS BYLAW SHALL come into force and take effect on the twenty first (21) day of June, 2010 AD, pending approval being issued by the Local Government Committee.
