langham.library@wheatland.sk.ca

The library is for children and adults, the very young and the very old. Wheatland has become more than a library to the people of the region, it has become a learning centre, providing an unlimited supply of reading and educational material to its clients, accessible, functional and unique in the service it offers. The Library is run by a local board and is open to the public for specified times during the day and evenings.

You can request library material from any library in Saskatchewan (DVD's can only be requested within our Wheatland region) and have them sent to your Langham branch for pick up.
